During his term of incarceration, Mr. Howie completed the Federal Bureau of Prison's Residential Drug Abuse Program, as well transitional services.

On November 27, 2012, Mr. Howie released from custody and began his 4-year term of supervised release in the Northern District of Texas. According to Senior United States Probation Officer Stephanie Roper, Northern District of Texas, Mr. Howie has paid the \$100 special assessment in full. Upon release, Mr. Howie has maintained employment as a driver for United Site Services.

Senior Probation Officer Roper advised that his substance abuse treatment and testing conditions have been satisfied. Since his release from custody, Mr. Howie has submitted 30 urine specimens, all of which have returned negative for the presence of controlled substances.

He continues to reside with his wife of 10 years and he has had no negative contact with law enforcement. Mr. Howie is a low risk offender and has exhibited a positive attitude and has abided by the conditions or supervision during his term of supervised release. Mr. Howie is requesting permission to travel with his wife on a cruise from July 13, 2014 to July 20, 2014, to celebrate their 10 year wedding anniversary. The cruise departs from Galveston, Texas, and will be stopping at the port in Isla Roatan, and Cozumel, Mexico. United States Probation Officer Roper reported that she has no concerns with Mr. Howie travelling out of the country and respectfully requests permission for Mr. Howie to travel out of the country.
